FELLOWSHIPS FOR PARTICIPATION OF YOUNG RESEARCHERS TO THE CONFERENCE

1st International symposium on Direct Injection Food Flavour Analytics (DIFFA23)

Fondazione Edmund Mach in San Michele all'Adige, Italy

20-22 September 2023

The Division of Mass Spectrometry of the Italian Chemical Society (DSM-SCI) awards **5 fellowships** for the participation of young researchers to the conference **DIFFA 2023** that will be held in San Michele all'Adige, (Italy) on September 20-22, 2023.

The fellowships are reserved to young researchers under 35 years at July 15, 2023 with no permanent position jobs who are engaged in scientific or educational activities at Universities, research and control Centers (i.e. PhD, post-doc students and scholarship holders) and which are effective member of the Division of Mass Spectrometry-SCI for the 2023.

Each fellowship consists in free registration and a travel/accommodation reimbursement, upon deposit of original receipts for travel and accommodation expenses incurred, up to € 150,00.

Fellowship requests must be sent by **July 15, 2023** to

Prof. ssa GiulianaBianco
Università degli Studi della Basilicata
Dipartimento di Scienze
Via dell'Ateneo Lucano 10-85100 Potenza Italy
✉ giuliana.bianco@unibas.it

They must be accompanied by:

- a) A short curriculum vitae;
- b) Applicant's status declared by his/her supervisor;
- c) Title and abstract of a communication to be submitted as oral communication;
- d) Card Number of effective member of the Division of Mass Spectrometry-SCI for the 2023
- e) the mail subject should report: Fellowships MASSA 2023

Fellowships will be assigned by an external commission and recipients will be informed by July 31, 2023.

The provision of the fellowship must be acknowledged in the oral presentation if it will be selected by using the logo of DSM-SCI. This logo must only be used for this presentation and must be deleted from the recipient's computer following the presentation.
