San Michele all'Adige, Trento | ITALY

The meeting will be held in San Michele all'Adige, in the heart of the Italian Alps, a region well renowned for its excellent wine, famous apples, and beautiful Dolomites mountains (UNESCO World Heritage Site since August 2009).

This area is the perfect place for those who love mountaineering and hiking in a natural landscape. Trento, the chief town of Trentino, is just 20 km far from S. Michele. Also known as the City of the Council, Trento represents the historical meeting point between the Italian and the mid-european cultures, which are preserved in local monuments and arts.

HOW TO REACH SAN MICHELE

When planning your visit in Trento, you can choose between arriving by car, train or airplane according to your needs and the distance you have to cover.

The closest Airport is Verona (VRN) with connections to Munich, Vienna and Frankfurt. Trento is reached also by long-distance train from Munich to Venice/Verona (EC) every 2 hours and directly with the Italian High Speed Trains (from Rome and Verona). You can find trains timetable and buy tickets online:

Trenitalia - Italian State Railways www.trenitalia.com/tcom-en

Deutsche Bahn - German State Railways www.bahn.de/p/view/index.shtml

Obb - Austrian State Railways www.oebb.at

Train tickets can also be purchased at the railway station. Italian train tickets must be stamped with the yellow machines available at the platform (binario) entrance before getting on the train.

If you arrive from the north, you may also consider stopping at the nearest Trenitalia station to San Michele all'Adige (about 25 minutes by foot), that is **Mezzocorona**.

From Mezzocorona station you can reach San Michele in two ways:

- take the metro train "Trento-Malè" (outside the train station at your left there is the Trento- Malè train station, 5 minutes walk) and get off at "Grumo-San Michele" station.
- take the bus in the direction of San Michele all'Adige (outside the train station at your right there is the bus station).

Please note that long distance coaches such as Flixbus are also operating and reaching Trento.

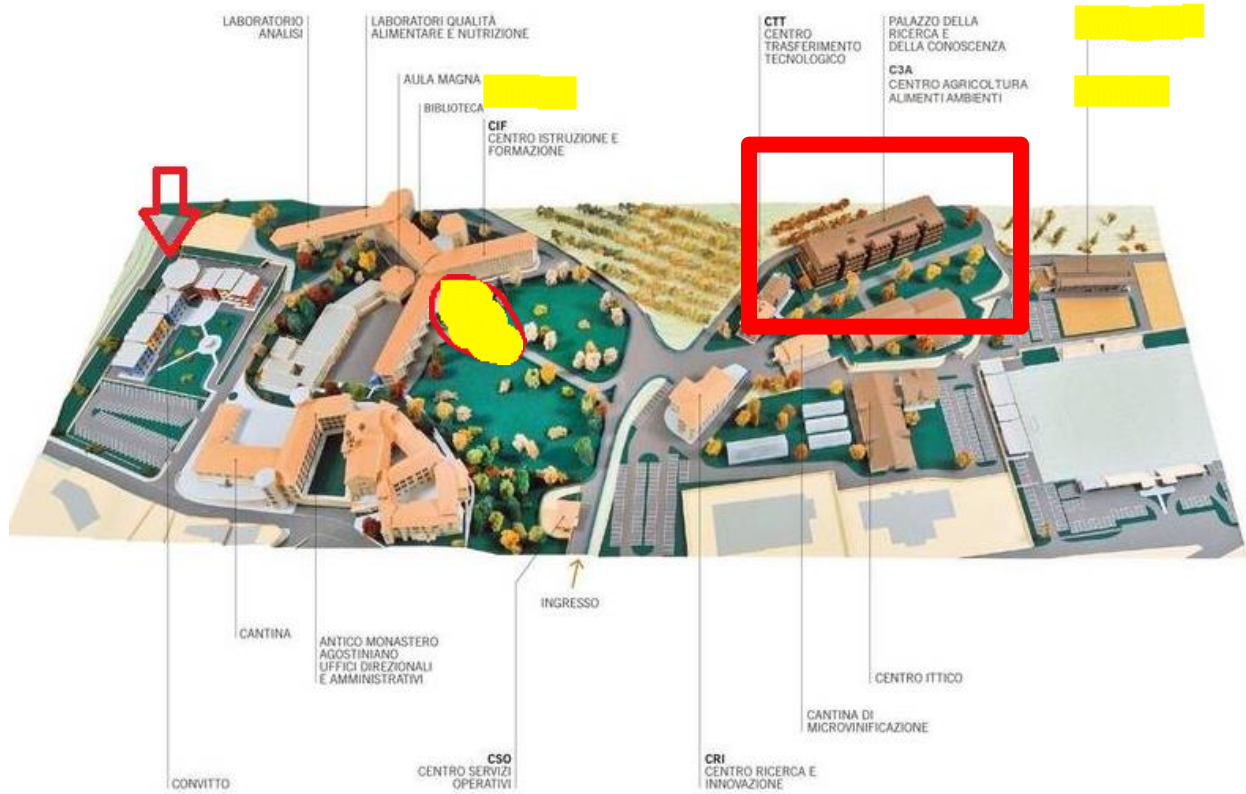

If you stay in Trento, please note that the public transport from downtown Trento to San Michele operates every 30 minutes and takes about 25 minutes.

If you opt for the regional train to reach San Michele, you must take the line "Trento-Malé" next to the main train station of Trento, then stop at Grumo/San Michele (timetables from Trento to San Michele available [here](#), backtrip to Trento available [here](#)). From the Grumo-San Michele station, you must walk about 10 minutes: take the foot pathway over a white bridge to cross the river, then use the pedestrian street tunnel to cross the big street in front of S. Michele, reach the roundabout and eventually FEM.

Alternatively, you can take the bus n. 104 to Salorno, stop at San Michele roundabout and then walk 5 minutes. Timetables available [here](#) and location of the stations are shown in the map below.
