

Società Chimica Italiana  
Divisione di Spettrometria di Massa

### Topics include:

- Imaging mass spectrometry
- Biomedical applications
- Metabolomics, proteomics & omics sciences
- Food, food safety, additives, residues
- Nanomaterials
- Nutraceuticals & Agrifood
- Doping & dependance
- MS & environment
- Ion spectroscopy
- New developments in MS

### Special sessions devoted to

**IMAGING MASS SPECTROMETRY**

**BIOMEDICAL APPLICATIONS**

**FOOD & FOOD SAFETY**

**ION SPECTROSCOPY**

**NANOMATERIALS**

**IRMS and STABLE ISOTOPES**

**DOPING & DEPENDANCE**
